Family Promise operates our shelter on \$400/day! We are in need of 365 donors to give \$400 to fund our work with homeless families in 2024. By playing, your foursome will provide one day of the support and care our families need to find sustainable stability.

We will recognize your foursome by naming “the day” in your honor in publications and our website. This will be “Your Day” at Family Promise! (You choose the name and 2024 date.)

Thank you for helping our families THRIVE!
