

365 Days of Ending and Preventing Homelessness

“Family Promise is like my long-lost family”

that has been searching for me and finally found me. They encourage you to do your best, guide you to financial stability, laugh with you to lift your spirits and high-five you when you progress. They wipe away your tears when you feel like life has abandoned you. Family Promise is the best thing that has ever happened to me, and I thank God for the people who work there.

– CeCe, Family Promise Graduate
